RESTITUTION CASE SUMMARY:

On 5/18/21, Apple Valley Police were dispatched to a retail store in the City of Apple Valley, on the report of a theft in progress.

Store employees reported that two males had stolen multiple items from the store and were leaving in a tan or gold Buick with license MN CZX-689. As an officer approached the scene he observed a car matching the description that was missing the front license plate, as the officer turned to follow the vehicle, he observed the vehicle's rear plate matched the number that had gone out. He activated his emergency lights and the vehicle moved to the right lane, then slowed way down and a male exited the front passenger's seat of the vehicle. The vehicle then accelerated quickly and fled the officer.

The officer stopped was able to speak to the male who had exited. The male was later identified as Leon Bell.

Employees showed officers the security video and photos of Bell and the other male pushing full carts out of the store.

Based on the restitution identified by Victim Menards the following is being requested:
