15. Plaintiff Jon Baymiller is a Tennessee resident.

16. Plaintiffs Robert and Jane Moseman are Nebraska residents.

Defendants

17. Defendant Will Hailer and his associate Tim Mynett are career political operatives who founded Defendant eST Ventures LLC (“eST Ventures”), purportedly a venture capital firm, and Rose Lake Capital, a private equity firm, in 2020 although neither Defendant had any prior experience or education in either business or finance.

18. Hailer is a resident of Nebraska.

19. On information and belief, eST Ventures is a Delaware limited liability company with a principal place of business in Washington, D.C.

20. Hailer, Mynett and eST Ventures formed Defendant Badlands Fund GP LLC (“Badlands GP”) for the purpose of controlling another investment fund that they also created: Defendant Badlands Ventures LLC (“Badlands Ventures”).

21. Badlands GP is a Delaware limited liability company with its principal place of business in Washington, D.C. Hailer and Mynett are the managers of Badlands GP.

22. Badlands Ventures is a Delaware limited liability company with its principal place of business in Washington, D.C. Badlands GP is the manager of Badlands Ventures.

23. As described further below, on information and belief, Defendants formed Badlands Ventures in order to defraud Plaintiffs by soliciting them for purported investments in Dakota and 605 with the present intention of stealing and/or misappropriating most of the money.

JURISDICTION AND VENUE

24. This Court’s jurisdiction over Defendants and this dispute arises out of Defendants’ execution of a Settlement Agreement, on or about November 30, 2022, that contains a forum selection and choice of law clause which provides: “This Agreement shall be controlled by Minnesota law and any dispute over its terms shall be litigated in Hennepin County, Minnesota

District Court.” A true and correct copy of the Settlement Agreement is attached hereto as **Exhibit 1**.

FACTUAL BACKGROUND

A. The Investor Plaintiffs’ Interest in Investments with Dakota and 605

25. The founders of Dakota and 605 were leaders in the effort to de-criminalize cannabis in South Dakota. Upon the legalization of cannabis for medical purposes in the state, the principal owners and operators of Dakota (Josh Wood and Bekki Engquist-Schroeder) and 605 (Ned Horsted) were eager to rapidly grow their businesses and establish market share in the newly legal industry. To this end, they sought investment capital from their relatives and close acquaintances, including the Investor Plaintiffs.

26. These efforts were highly successful. All of the Investor Plaintiffs in this action are would-be angel investors in Dakota and 605. Collectively, the Plaintiffs sought to invest \$3,543,500.00 in the two companies, with half of that amount invested in each of the two companies. All of the Investor Plaintiffs and their principals are either themselves close contacts with the founders of Dakota or 605 or they were introduced to Dakota and 605 by such a close contact.

B. Defendants’ Misrepresentations to the Investor Plaintiffs

27. In or around early 2022, Hailer approached Wood, Engquist-Schroeder, and Horsted and proposed that Hailer would be able to raise millions of dollars in additional investment funding if they would only allow Hailer to control the capital raise through his purported venture capital firm, eST Ventures.

28. Hailer persuaded Wood, Engquist-Schroeder, and Horsted to introduce him to the Investor Plaintiffs based on his promise to raise millions of dollars in additional capital.

29. Hailer told the Investor Plaintiffs in March 2022 that he and eST Ventures “have secured \$6M of investment outside of South Dakota” and that he assumed that another \$1.5 million would be raised within the state making Badlands Ventures “an \$11M[illion] fund.”

30. Hailer promised Plaintiffs that the first \$10 million raised would be invested 50/50 in Dakota and 605, and that funds raised in excess of \$10 million would be invested solely in a third business, which was a cannabis testing facility also located in South Dakota. Among other representations, Hailer stated that eST Ventures had vetted “approximately 300+ potential growers, cultivators and operators in South Dakota and are ONLY willing to invest in [these] three facilities.”

31. On information and belief, Hailer’s representations that: (1) the Investor Plaintiffs’ funds would only be invested in Dakota and 605; (2) Hailer and eST Ventures intended to solicit additional investors; and (3) Hailer and eST Ventures had “secured” \$6 million from other investors were false when made.

32. In reliance upon the representations of Hailer and eST Ventures, the Investor Plaintiffs invested \$3,543,500.00 in Badlands Ventures via execution of subscription agreements granting them units in Badlands Ventures.

33. Badlands Ventures signed separate nonbinding term sheets with Dakota and 605, pursuant to which Badland Ventures stated its intention to buy \$5 million of equity in each company.

34. On information and belief, the \$3,543,500.00 invested by the Investor Plaintiffs in Badlands represents 100% of the total capital invested in Badlands Ventures. In other words, Defendants never secured any other investor, for any amount.

C. Defendants' Ongoing Obfuscation Regarding the Investment Plaintiffs' Money

35. Hailer repeatedly told Plaintiffs that the entire \$11 million would be fully subscribed and closed within days or weeks, and that the fund would then close on the promised \$5 million investments in Dakota and 605.

36. On April 18, 2022, Hailer told Plaintiff Jon Baymiller that “We would be closed if a small group of folks that had committed to several millions within South Dakota had their funds in. They aren’t in yet but I know we will get there. Yes, the \$5M guy is set. We will be at \$11M shortly.”

37. On May 28, 2022, Hailer told Plaintiffs via email that “We are close to being fully subscribed but not 100% of the way there yet” and that “the next update we will provide you will be July 15. By that point, the fund will be fully subscribed.”

38. On July 23, 2022, Hailer told Plaintiffs that “We are closing [on the two \$5 million investments] with both vertical grow companies [Dakota and 605] in the next 15 business days.”

39. The failure of the Badlands Ventures fund to secure the \$10 million that Hailer promised was highly problematic for Dakota and 605, who needed Plaintiffs’ money to build facilities and operate, and also for Plaintiffs, who intended that Dakota and 605 receive the money for those purposes.

40. Hailer and Badlands GP ultimately advanced \$1.860 million of the \$3.543 million invested by the Investor Plaintiffs to Dakota and 605 in exchange for promissory notes that were convertible into equity units in the two companies.

41. Hailer and Badlands GP never told the Investor Plaintiffs that they had made any other investments or done anything else with the remaining \$1.683 million of Plaintiffs’ money, which pursuant to the Badlands Ventures LLC agreement should be safely in a Badlands Ventures’

bank account until such time as it would be invested in Dakota and 605 per the representations of Hailer and eST Ventures.

D. Defendants' Failure to Advance Funds to Dakota and DNG

42. On information and belief, Hailer and Badlands GP have, without authorization, moved at least some—and perhaps all—of Plaintiffs' \$1.683 million out of Badlands Ventures' bank account for purposes other than Badlands Ventures' business. This money has been misappropriated and/or stolen.

43. Plaintiffs' belief is based on Hailer's repeated failures to advance funds (that should be in Badlands Ventures' bank accounts) to Dakota and 605, notwithstanding Hailer's repeated promises to do so.

- a. For example, on August 26, Hailer promised to wire hundreds of thousands of dollars to Dakota and 605, but claimed that the Office of Foreign Assets Control ("OFAC"), which enforces economic sanctions in the financial system, had placed a hold on the funds. This explanation makes no sense, as all of Badlands Ventures' funds came from Plaintiffs who reside domestically.
- b. On August 31, Hailer claimed that "he was still waiting on a call from the bank" about the alleged OFAC hold.
- c. On September 6, Hailer again claimed he was "waiting on a call back from the bank that we can move money today."
- d. On September 22, Hailer said that "Remaining of current tranche will be wire [sic] tomorrow split between [Dakota and 605] and arrive tomorrow or Monday in your accounts."
- e. On September 26, when no money arrived, Hailer said "I just landed a call into the bank. I personally hit send on wires Friday afternoon."

- f. After hearing nothing from Hailer for several days, Hailer claimed on October 5 that he “ha[d] been in the hospital the last few days. Supposed to get out Friday.”
- g. On October 19, Hailer gave the following “update”: “they are expecting Friday I will get out [of the hospital] and I’ll work it fast then—earlier if I get out earlier.”
- h. On October 24, Hailer claimed that he was “just waiting on confirmation numbers that the 1.76 [million dollars] of investor money has moved [to Dakota and 605].”
- i. Also on October 24, Hailer claimed that he “just did \$1M to each company” but that he “may need to do it in two closes -- \$8M[illion] now and the remaining \$2M[illion] in November.” Neither 605 nor Dakota received any such funds, including the “\$1M” Hailer purportedly wired.
- j. On October 25, Hailer claimed again that he “sent \$1M wires to each of [Dakota and 605]” but “the bank limit was \$1M so they both didn’t get sent—bank says the 500k will go to each of you in the morning [and that] they will get limit reset and hopefully the remainder of the \$1M out by end of day. . . Rest assured --\$500k min will be to you tomorrow and the other \$500k if not tomorrow [then] the next day.”

44. Neither Dakota nor 605 received the “first” \$500,000 wire that Hailer had claimed to have sent. Rather, each company only received \$50,000 each. On the very next day, October 26, Hailer attempted to justify the discrepancy by stating that the bank must have “forgot[ten] a zero” when they sent the two wire transfers. Hailer further claimed that he was “working with [his] other bank that has the big final tranche to see if I can just move that direct.”

45. Neither company received a “second” wire transfer for any amount.

E. Defendants' Refusal to Allow Inspection of Badlands Ventures' Bank Accounts

46. Plaintiffs' belief that Hailer and Badlands GP have misappropriated or stolen their money is further based on the Defendants' failure to allow Plaintiffs to inspect the books and records of Badlands Ventures to confirm the amount of money in Badlands Ventures' bank accounts and see where and when any transfers were made out of the accounts.

47. Section 12.2 of the Badlands Ventures' LLC agreement provides that "proper and complete books of account of the Company . . . shall be open to inspection by the Members at any reasonable time."

48. Plaintiffs' counsel Jason Tarasek requested inspection of Badlands Ventures' books on November 2 via letter to counsel for Hailer and Badlands GP, Bobby Weinberger. That request was refused, allegedly because Tarasek had not "confirmed" that he represented all Plaintiffs.

49. On November 23, Tarasek renewed his request via letter that included a list of Tarasek's clients, including all Plaintiffs.

50. Notwithstanding Plaintiffs' rights under Section 12.2 of the Badlands Ventures' LLC agreement, Defendants refused to provide Plaintiffs with bank records (or otherwise allow Plaintiffs access to such records) confirming that Badlands Ventures still has possession of the \$1.683 million that Plaintiffs invested that was not re-invested by Badlands Ventures into Dakota and 605.

F. Defendants' Execution of the Settlement Agreement and Failure to Perform

51. After weeks of negotiations, on November 30, 2022, on behalf of Badlands GP and Badlands Ventures, Hailer executed agreements with the Investor Plaintiffs that would have resolved all disputes between them.

52. Pursuant to these agreements:

- a. Badlands Ventures agreed to invest substantially all of the remainder of the Investment Plaintiffs' undeployed capital into Dakota and 605;
- b. Badlands Ventures agreed to assign its interests in Dakota and 605 to ASDC3 LLC, a new fund controlled by the Investor Plaintiffs; and
- c. the Investor Plaintiffs exchanged their units in Badlands Ventures for units in ASDC3 LLC.

53. Additionally, the parties also signed a Settlement Agreement, which states that it "shall be effective as of the last date on which any Party hereto executes this Agreement (the 'Effective Date')."

54. Pursuant to the Settlement Agreement, Badlands Ventures was required to wire \$944,193.70 to Dakota and \$584,193.70 to 605 "on or prior to the Effective Date."

55. Hailer signed all of the agreements, including the Settlement Agreement, on behalf of Badlands GP and Badlands Ventures on Wednesday, November 30, 2022.

56. Less than two hours after circulating Badlands' signatures on the agreements, Defendants' counsel, Bobby Weinberger, expressly confirmed via email that "the plan is to wire funds and authorize the release . . . once all signatures [from Plaintiffs, 605, Dakota, and ASDC3 LLC] are in hand." In the same email, Mr. Weinberger asked counsel for Dakota and 605, "Do you have a sense of the timeline from here w/r/t obtaining signatures? Are we looking Friday? Monday?"

57. Counsel for Dakota promptly responded that "everyone is motivated to move quickly here given the delays, so I think Friday (or even tomorrow) is certainly possible."

58. Throughout the next day (December 1, 2022), and in anticipation of a prompt closing, counsel for Dakota and 605 sent numerous emails to Mr. Weinberger, updating Mr. Weinberger on the status of the signatures to the agreements.

59. At approximately 6:45 p.m. CST, counsel for Dakota emailed Mr. Weinberger stating, “Bobby, we’re now waiting on just one signature, which we expect to receive shortly. We’ll let you know when we do, but in the interim please tee up the wires so they are ready to go tomorrow (assuming the one remaining sig is received).”

60. At approximately 1:00 p.m. CST on December 2, 2022, counsel for 605 emailed Weinberger all signatures to the Settlement Agreement.

61. Emails with all of the Investor Plaintiffs’ signatures on the other agreements had already been emailed to Weinberger before 1:00 p.m. CST.

62. The Settlement Agreement therefore became effective on December 2, 2022.

63. Mr. Weinberger did not respond to the emails from Plaintiffs’ counsel.

64. At or around that same time, 1:00 p.m. CST, Hailer sent the following text message to the principals of Dakota (Josh Wood) and 605 (Ned Horsted): “Gentlemen – now that everything is signed, I am hoping you would afford me 15 minutes this afternoon. . . . Would want it to be the three of us, no attorney, no others.”

65. In response to Hailer’s text message, counsel for Dakota emailed Weinberger as follows: “I understand that [Hailer] contacted Josh Wood this afternoon asking for a call. I have advised Josh Wood not to respond to or communicate with [Hailer] until after this transaction is completed. Please advise [Hailer] accordingly. Please also confirm that the wires will be initiated today. If not, a complaint will be filed.”

66. Weinberger did not respond.

67. Badlands GP and Hailer have failed to cause Badlands Ventures to send both the \$944,193.70 wire to Dakota and the wire \$584,193.70 to 605.

68. Badlands Ventures has failed to send any money to either Dakota or 605.

69. Section 3 of the Settlement Agreement is a “springing” mutual release that was not immediately effective upon the execution of the agreement by all parties. Rather, by its express terms, the release only becomes effective “[u]pon . . . the disbursement of” the wire transfers to Dakota and 605.

COUNT I – BREACH OF CONTRACT
Against Badlands Ventures, Hailer, and Badlands Fund GP

70. Plaintiffs incorporate by reference and reallege the preceding paragraphs as if stated here.

71. The Settlement Agreement is a valid and enforceable agreement between Plaintiffs and Badlands Ventures.

72. Badlands Ventures was required to pay \$944,193.70 to Dakota and \$584,193.70 to 605 on or before December 2, 2022.

73. Badlands Ventures breached the Settlement Agreement by failing to make either payment. Badlands Ventures’ breach is ongoing.

74. In this regard, the Settlement Agreement provides, in relevant part, that:

the Party(ies) that prevails in any civil action related to the enforcement or interpretation of this Agreement shall be entitled to payment by the non-prevailing Party(ies) of its/their attorney fees and costs incurred in any civil action related to the enforcement or interpretation of the Agreement.

75. As a result of Badlands Ventures’ breach, Dakota has suffered \$944,193.70 in damages 605 has suffered \$584,193.70 in damages, and the Plaintiffs have incurred, and will continue to incur, costs, expenses and attorney’s fees, all of which are recoverable through this action.

COUNT II – SPECIFIC PERFORMANCE
Against Badlands Ventures, Hailer, and Badlands Fund GP

76. Plaintiffs incorporate by reference and reallege the preceding paragraphs as if stated here.

77. In light of the above-recited allegations, this Court should compel specific performance, namely, the Court should order the Defendants to perform their obligations pursuant to the Settlement Agreement.

COUNT III – FRAUDULENT INDUCEMENT
Against Hailer, eST Ventures, and Badlands Fund GP

78. Plaintiffs incorporate by reference and reallege the preceding paragraphs as if stated here.

79. Defendants represented to Plaintiffs that, among other things, (1) Plaintiffs' funds would only be invested in Dakota and 605; (2) Hailer and eST Ventures intended to solicit additional investors; and (3) Hailer and eST Ventures had "secured" \$6 million from other investors.

80. On information and belief, each statement was false when made and known to be false by Defendants.

81. On information and belief, each statement was made by Defendants with the intent to induce Plaintiffs to enter into the Badlands Ventures LLC Agreement whereby the Plaintiffs would contribute \$3,543,500.00 to the endeavor.

82. Plaintiffs acted upon Defendants' deceptive representations resulting in Plaintiffs investing \$3,543,500.00 into the endeavor pursuant to the Badlands Ventures LLC Agreement.

83. As a result of Defendants' fraudulent inducement, the Plaintiffs have been harmed.

84. Because Defendants fraudulently induced the Plaintiffs to enter into the Badlands Ventures LLC Agreement and invest \$3,543,500.00, the Court should order rescission of the Badlands Ventures LLC Agreement and treat the contract as null and void.

85. The Court should award Plaintiffs \$3,543,500.00 in compensatory rescissory damages to make Plaintiffs whole.

COUNT IV – FRAUD
Against Hailer, eST Ventures, and Badlands Fund GP

86. Plaintiffs incorporate by reference and reallege the preceding paragraphs as if stated here.

87. Defendants represented as fact to Plaintiffs, among other things, that (1) Plaintiffs' funds would only be invested in Dakota and 605; (2) Hailer and eST Ventures intended to solicit additional investors; and (3) Hailer and eST Ventures had "secured" \$6 million from other investors.

88. On information and belief, each statement was false when made and known to be false by Defendants.

89. On information and belief, each statement was made by Defendants with the actual intent to steal the Plaintiffs' money.

90. Plaintiffs contributed \$3,543,500.00 pursuant to the written Badlands Ventures LLC Agreement.

91. On information and belief, Defendants willfully committed deceptive acts for the purpose of benefitting themselves.

92. Plaintiffs have been harmed by Defendants' deceptive actions in the amount of at least \$1.683 million.

93. Plaintiffs are further entitled to punitive damages for Defendants' intentional tort with the exact amount to be proven at trial.

COUNT V – CONVERSION
Against Hailer, eST Ventures, and Badlands Fund GP

94. Plaintiffs incorporate by reference and reallege the preceding paragraphs as if stated here.

95. Plaintiffs contributed \$3,543,500.00 to Badlands Ventures in reliance on Defendants' false representations regarding the use of the funds.

96. Plaintiffs retained a possessory interest in their funds greater than Defendants' interest because Defendants obtained the funds through false pretenses.

97. Of those funds, Defendants removed \$1.683 million without authorization from Plaintiffs. Even if Defendants did not obtain the funds through false pretenses, Defendants' removal of the funds was for a purpose other than that represented by Defendants.

98. Defendants exercised and continue to exercise dominion and control over Plaintiffs' investment property.

99. Defendants' continued exercise of control of the property and Defendants' exercise of control of the property has deprived Plaintiffs of the beneficial use of their property.

100. Defendants' actions deprived Plaintiffs of the beneficial use of their funds.

101. Defendants' actions have caused Plaintiffs damages in the amount of \$1.683 million.

102. Plaintiffs are further entitled to punitive damages for Defendants' intentional tort with the exact amount to be proven at trial.

WHEREFORE, Plaintiffs pray for judgement against Defendants as follows:

1. An award for damages against Defendants in the amount of at least \$1.683 million,
to be proven at trial;
2. Prejudgment interest, attorney's fees and costs; and
3. Such other and further relief as the Court deems just and equitable.
